SIR

Subject —

In forwarding herewith the draft bye-laws relating to water supply in Closepet town, sent with Closepet Municipal President's letter No M C 97/36-37 dated 31-10-1936, I have the honour to state that it is reported that the bye-laws have been framed on the model of the Chennapatna Water Supply bye-laws sanctioned by Government in their order No L 7837-39/M1 62-35-39 dated 6-3-1936, that all the formalities prescribed by rules have been observed and that no objection has been received with regard to the said bye-laws

In these circumstances, I request you to be so good as to obtain sanction of Government to the said bye-laws

Copies of resolutions and notice calling for objection are enclosed in the file

I have the honor to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Bangalore District
(Absent from Station)

SS/-

Bye-laws [redacted] relating to water supply in the closepet town municipality framed under section 48 (1) (m) of the Mysore Town Municipalities Regn of 1933

No person shall (a) remove break, injure or open any cock lock valve pipe-work or engine or motor belonging to or under the control of the municipality in connection with the water supply or

(b) flush or draw off any water in or derived from any such water work or do any act whereby the water in any pipe or water work is likely to be wasted or contaminated or (c) obstruct, divert or in any way injure or alter any water main sub main or duct

2 The water supplied by the municipal Council is intended primarily for domestic use and therefore water from a public stand post or tap shall not be taken for garden irrigation building purposes or for other non-domestic purposes In the latter case the previous sanction of the president or vice-president should be obtained in writing or such payment and under such conditions as may be settled by the municipal Council provided that the use of water from the public taps for non domestic purposes mentioned therein shall not be permitted unless there is sufficient supply of water at the tank or source

3 No person shall bathe or wash any animal, vehicle, clothes or utensils at any public stand posts or taps which are not specially set apart for such purposes

4 No person shall do anything to damage or disfigure the stand posts or platforms or to obstruct the free flow of water from the platform

No person shall [redacted] animal as on [redacted] stand

Rs 3 a year in localities where a supply can be given without detriment to direct service provided there are facilities to make proper arrangements for drawing off the waste water to the municipal drains Subject also to the payment of 6 months fee in advance

10 The number of taps to be given to any dwelling house will be limited to a maximum of 3

For houses taking ½ Connection a monthly fee of Rs 1-8-0 each and those taking ¾ Connection Rs 2 each will be charged

Non domestic connections will be charged for all water drawn at eight annas per 1000 gallons

11 The municipal Council in consultation with the water works department (Bureau of Sanitary Engineering) may give Connection to factories Firms and Railways or any other non domestic purposes of the entire cost of the pipe line together with the cost of meter as borne by such factory firm or Railway provided such water Connection does not interfere with the normal supply of water required for the municipal area

12 For every Connection given for non domestic purposes such as garden factories, presses, etc, there shall be provided at the Consumer's Cost and maintained in due working order a water meter for gauging the water Consumed

The word garden does not include the gardens the Compound of dwelling houses

13 For all Connections where a water meter is fixed a charge of four annas per month shall be levied [illegible] meter. in addition to whatsoever the

May be due for the water consumed provided that for the periods when the meter is out of order, no rent shall be charged

14 If the owners or occupiers of such houses or property were to vacate or abandon such houses or property either temporarily or permanently the responsibility of informing in writing to the president or vice president shall rest upon such owners or occupiers before the 5th of every month signifying their intention not to use the water till they re occupy the house or property and upon such application the president or vice president shall arrange to cut off the water connection in the case of houses or property remaining temporarily vacant for more than a month and a half, the usual meter rate will be charged but in the case of such temporary vacancy for a month or portion of a month, no reduction shall be made or refunded

15 Service pipes to private properties shall be laid by plumbers duly licensed by the municipal Council on approved plans and specifications under conditions and rules sanctioned by the municipal Council The final connection between the private service pipe and the public water mains shall not be allowed until the work is inspected and passed by the president vice president or his authorised agent

(a) No alteration or extension of private connection shall be allowed without previously obtaining the sanction of the municipal Council and such

(b) Repairs may however be carried out by the owners or occupiers of property after giving intimation to the president or vice president in writing of the nature of repairs to be done the work being entrusted to the licensed plumbers only

16 The water rate and meter rent or any other Charges due under these rules shall be collected or caused to be collected by the president vice president or his authorised agents every month in advance from the owners or occupiers of such property The owners or occupiers of such houses or property shall be solely responsible for the payment of all charges or rate or rent and all such dues under these byelaws shall be collected as a municipal Demand and shall be subject to the same rules as are provided in the town municipalities regulation of 1933, provided that the bill shall be served or presented to the owners or occupiers liable to such water rate meter rent or other Charges only once and for the first time and the municipal Council shall not be bound to serve such bills at the beginning of every month unless there be an alteration or enhancement or reduction as the case may be in which case a separate bill shall be presented or served

(a) The municipal Council may receive payment from the agent or the occupier,

(b) In order to facilitate the adjustments of accounts between the owners of a house or property and his tenant or occupier, the president or vice president on written [redacted] a

Memorandum showing the Consumption and probable Charges on account of water-rate and meter rent for any broken period of the month since the preparation of the last bill in his office

17 Arrangements will be made to read the meter as far as possible within the 5th of every month The meter reader will leave with any available person in the house a slip showing the Consumption of water during the preceding month

In Calculating the Charges under the clause of meter ing the quantity of 500 gallons and below shall not be Charged but when it is over 500 gallons it shall be Charged for as if it were 1000 gallons

18 All Complaints regarding the accuracy of the reading or the non-receipt of slips referred to in rule 16 shall be made in writing to the president or vice-president within the 10th of the month Concerned, after which no Complaints will be entertained

19— Any owner or occupier of a house or property having a water Connection who may suspect or dispute the accuracy of the measurements indicated by water meter may apply to the president or vice president and have the meter tested on payment of a fee of Rupee one per test If on actual test, the quantity registered by the meter exceeds 10 percent of the correct quantity the fee will be refunded to the party Concerned.

[redacted] collected to the Municipal funds

The Municipal Council reserves to itself the right to test any meter for its own satisfaction at any time due notice shall however be given to the owner or occupier of the house or property concerned

21 If on examination any meter is found to be out of order and consequently not registering correct the Consumption during the period since the last readin till the meter is repaired or a new meter is attached shall be calculated at the average daily Consumption of the last registered period during which in the opinion of the president or vice president the meter was registering correctly and the Consumption of water was not for any reason abnormal

22 The president vice president or his authorised agent may at all reasonable times and with permission of the owner or occupier if permission be refused after giving Sex hours notice enter any premises in which there is a water Connection in order to inspect and examine or repair the same

23 The president, vice president or their authorised agent shall have the power to cut off connection between the private pipes and the public main in any of the following cases –

(a) In default of payment of the Water rate and other Charges due under the rules if on any bill presented on account of repairs to meters

[illegible] above written 3 days after the same

[illegible] demanded in writing or presented

If any house owner or occupier [redacted] with water shall use or permit the use of water for a in violation of the conditions on which the connection is granted provided that 5 ~~years~~ days previous notice is given in writing

(c) In cases of leakage of pipes or other defects in the private service likely to cause loss to the Municipality provided 24 hours notice is previously given

(d) If water is allowed to run to waste after the owner or occupier has been warned against allowing such waste by a printed or written notice of Six hour or such shorter period as the president or vice president deems fit

(e) In any case of broken pipes or fittings causing loss of water likely to cause damage to property when such written notice as may be possible shall be given

(f) In any case of refusal to allow the president vice president or his authorised agent to enter on any land or building for the purpose of inspecting service pipes, fittings etc after due notice

24 " The Byelaws 2 3 4 5- 6, 7 and 20 stated above apply to all public street fountains which have been or maybee allowed to erected at the expense of the private individuals for deduction [redacted] claims should by [redacted]

(a) That their number is strictly restricted by the bona fide public requirements of particular localities which shall be decided by the Municipal Council

(b) That they are not placed closer to any other public fountain than the minimum prescribed distance of 200 ft

(c) That their free and unobstructed use at all hours by the public for whose use they are intended is duly safeguarded

25- Any person whose house connection is stopped for non payment of dues or leakage, etc shall pay a fee of Re 1 for reconnecting the same

26 The Municipality reserves to itself the power whenever it deems fit to alter or modify the foregoing rules or to abolish altogether the System of house connection established there under or to stop or to reduce the supply any private attachment or any public fountain without assigning any reason whatsoever

27 Any person infringing any of these Byelaws shall be liable to be punished with a fine not exceeding fifty rupees on conviction before a Magistrate

To.

The Director of Health in Mysore
The Deputy Commissioner, Bangalore District with records
The Comptroller to Government

NL63-36-32

Approved in G O No L 4310-12 dated 12/15 Dec 1936

BYELAWS FOR REGULATING WATER SUPPLY IN THE CLOSEPET TOWN MUNICIPALITY FRAMED UNDER SECTION 48)1)(m) of the MYSORE TOWN MUNICIPALIES REGULATION OF 1933

---

1 No person shall (a) remove, break, injure or open any cock, lock, valve pipe-work or engine or motor belonging to or under the control of the Municipality in connection with the water supply, or

(b) flush or draw of any water in or derived from any such water work or do any act whereby the water in any pipe or water work is likely to be wasted or contaminated or

(c) obstruct, divert or in any way injure or alter any water main, submain or duct

2 The water supplied by the Municipal Council is intended primarily for domestic use and therefore water from a public stand post or tap shall not be taken for garden, irrigation, building purposes or for other non-domestic purposes In the latter case, the previous sanction of the President or Vice-President should be obtained in writing or such payment and under such conditions as may be settled by the Municipal Council, provided that the use of water from the public taps for non-domestic purposes mentioned therein shall not be permitted unless there is sufficient supply of water at the tank or source

3 No person shall bathe or wash any animal, vehicle, clothes or utensils at any public stand posts or taps which are not specially set apart for such purposes

4 No person shall do anything to damage or disfigure the stand posts or platforms or to obstruct the free flow of water from the platform

5 No person shall water any animal at any public stand pipe or cistern, except at places prescribed by the Municipal Council for the purpose by notice posted thereat

6 In cases of emergency, the President, Vice-President or his authorised agent may, at any time, with previous public notice by beating tom tom, stop the supply of water if it appear to be unfit

for use by the public

7 The President, Vice President or his authorised agent in writing shall have power to stop or reduce the supply in any public main or submain for repairs or renewals without any notice But when such stoppage is over an extensive area or is due to exigencies which can be foreseen such previous notice, as is possible under the circumstances will be given by general tom, tom

8 Applications for house connections from the public mains or submains are to be made in the prescribed form with the necessary plans and estimates to the President or Vice President who is authorised to comply with such requisitions by owners of property who are required to lodge with him ar his agent the cost of the attachment as specified below:-

1) ¾" attachment Rs 1-8-0
2) 1" -do- " 2-0-0

After the house connection estimate is sanctioned, the rest of the transaction will be entirely between the owner and the plumb and the Municipality will not interfere in the matter of settlement of claims etc , between the owner and consumer

9 Private house service connections will be limited to houses paying house or shop tax of not less than Rs3 a year in localities where a supply can be given without detriment to street service provided there are facilities to make proper arrangements for draining off the waste water to the Municipal drains subject also to the payment of 6 months fee in advance

10 The number of taps to be given to any dwelling house will be limited to a maximum of 3

For houses taking ¾" connection a monthly fee of Rs1-8-0 each and those taking 1" connection Rs2 each will be ~~xxxxxx~~ charged

Non-domestic connections will be charged for all water drawn at eight annas per 1000 gallons

11 The Municipal Council in consultation with the water works department (Bureau of Sanitary Engineering), may give

connection to factories, Firms and Railways or any other non-domestic purposes if the entire cost of the pipe line together with the cost of meter is borne by such factory, firm or Railway,provided such water connection does not interfere with the normal supply of water required for the municipal area

12 For every connection given for non domestic purposes such as garden, factories, presses, etc , there shall be provided at the consumer's cost and maintained in due working order, a water meter for gauging the water consumed The word "garden" does not include the garden in the Compound wall of the dwelling houses

13 For all connections where a water-meter is fixed a charge of four annas per month shall be levied as the rent for the meter, in addition to whatsoever charge may be due for the water consumed provided that for the periods when the meter is out of order, no rent shall be charged

If the owners or occupiers of such houses or property were to vacate or abandon such houses or property either temporarily or permanently the responsibility of informing in writing to the President or Vice-President shall rest upon such owners or occupiers before the 5th of every month signifying their intention not to use the water till they reoccupy the house or property and upon such application, the President or Vice-President shall arrange to cut off the water connection In the case of houses or property remaining temporarily vacant for more than a month and a half, the usual meter rate will be charged, but in the case of such temporary vacancy for a month or portion of a month, no reduction shall be ~~xxxx~~ made or refunded

15 Service pipes to private properties shall be laid by plumbers duly licensed by the Municipal Council on approved plans and specifications under conditions and rules sanctioned by the Municipal Council The final connection between the private service pipes and the public water mains shall not be allowed until the work is inspected and passed by the President or Vice President or his authorised agent

(a) No alteration or extension of private connection shall be allowed without previously obtaining the sanction of the

Municipal Council and such work shall be carried out only by licensed plumber

(b) Repairs may however be carried out by the owners or occupiers of property after giving intimation to the President or Vice President in writing of the nature of repairs to be done the work being entrusted to the licensed plumber only

16 The water rate and meter rent or any other charges due under these rules shall be collected or caused to be collected by the President, Vice President or his authorised agents every month in advance from the owners or occupiers of such property The owners or occupiers of such houses or property shall be solely responsible for the payment of all charges or rate or rent and all such dues under these byelaws shall be collected as a Municipal Demand and shall xx be subject to the same rules as are provided in the Town Municipalities Regulation of 1933, provided that the bill shall be served or presented to the owners or occupiers liable to such water rate meter rent or other charges, only once and for the first time and the Municipal Council shall not be bound to serve such bills at the beginning of every month unless there be an alteration or enhancement or reduction as the case may be in which case a separate bill shall be presented or served

(a) The Municipal Council may receive payment from the agent or the occupier

(b) In order to facilitate the adjustment of accounts between the owners of a house or property and his tenant or occupier, the President or Vice President shall, when required in writing, furnish a Memorandum showing the consumption and probable charges on account of water-rate and meter rent for any broken period of the month since the preparation of the last bill in his office

17 Arrangements will be made to read the meter as far as possible within the 5th of every month The meter reader will leave with any available person in the house a slip showing the consumption of water during the preceding month

In calculating the charges under the clause of metering, the quantity of 500 gallons and below shall not be charged but when it is over 500 gallons it shall be charged xx for as if it were 1,000

gallons

18 All complaints regarding the accuracy of the reading or the non-receipt of slips referred to in rule 16 shall be made in writing to the President or Vice President within the 10th of the month concerned after which no complaints will be entertained

19 Any owner or occupier of a house or property having a water connection who may suspect or dispute the accuracy of the measurements indicated by water meter, may apply to the President or Vice President and have the meter tested on payment of a fee of Rupee One per test If on the actual test, the quantity registered by the meter exceeds 10 per cent of the correct quantity the fee will be refunded to the party concerned, otherwise it will be credited to the Municipal Funds

20 The Municipal Council reserves to itself the right to test any meter for its own satisfaction at any time Due notice shall, however, be given to the owner or occupier of the house or property concerned

21 If, on examination, any meter is found to be out of order and consequently not registering correctly the consumption during the period since the last reading till the meter is repaired or a new meter is attached shall be calculated at the average daily consumption of the last registered period during which, in the opinion of the President or Vice President, the meter was registering correctly and the consumption of water was not for any reason abnormal

22 The President,Vice President or his authorised agent may at all reasonable times and with permission of the owner or occupier, if permission be refused after giving six hours' notice enter any premises in which there is a water connection in order to inspect and examine or repair the same

23 The President, Vice President or ~~their~~ his authorised agent shall have the power to cut off connection between the private pipes and the public main in any of the following cases:-

(a) In default of payment of the water rate and other changes due under the rules if on any bill presented on account of repairs to meters under rule above within 5 days after the same

shall have been demanded in writing or presented

(b) If any house owner or occupier who is supplied with water shall use or permit the use of water for purposes in violation of the conditions on which the connection is granted provided that 5 days previous notice is given in writing

(~~a~~) (c) In cases of leakage of pipes or other defects in the private service, likely to cause loss to the Municipality provided 24 hours notice is previously given

(d) If water is allowed to run to waste after the owner or occupier has been warned against and allowing such waste by a printed or written notice of six hours or such shorter period as the President or Vice President deems fit

(e) In any case of broken pipes or fittings causing loss of water likely to cause damage to property when such written notice as may be possible shall be given

(f) In any case of ~~refusal~~ refusal to allow the President, Vice President or his authorised agent to enter on any land or building for the purpose of inspecting service pipes, fittings, etc , after a day's notice

24 The Byelaws 2, 3, 4, 5, 6 7 and 20 stated above apply to all public streets fountains which have been or may be allowed to be erected at the expense of the private individuals for deduction to public use and such fountains shall be further subject to the following conditions -

(a) That their number is strictly restricted by the bona-fide public requirements of particular localities which shall be decided by the Municipal Council

(b) That they are not placed closer to any other public fountain than the minimum prescribed distance of 200 feet

(c) That their free and unobstructed use at all house by the Public for whose use they are intended, is duly safeguarded

25 The Any person whose house connection is stopped for non payment of dues or leakage, etc , should pay a fee of Re1 for reconnecting the same

26 The Municipality reserves to itself the power whenever it deems fit to after or modify the foregoing rules or to

abolish altogether the system of house connection established there under or to stop or to reduce the supply to any private attachment or any public fountain without assigning any reason whatsoever

27, Any person infringing any of these Byelaws shall be liable to be punished with fine not exceeding fifty rupees on conviction before a Magistrate
